

► Product Features

- 0.35mm thin thickness
- 100,000 operational life
- Dust-proof design
- Large operational area
- Custom options available

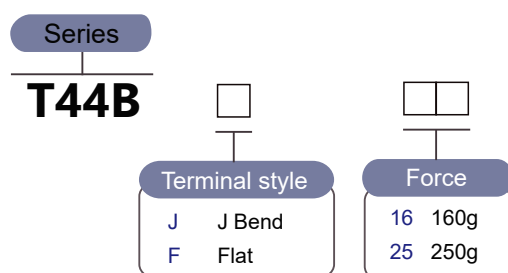

► Materials

Part Name	Base	Contact	Terminal
Material	LCP	SUS Silver plated	Brass Silver plated

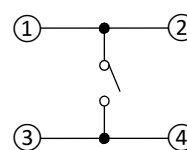

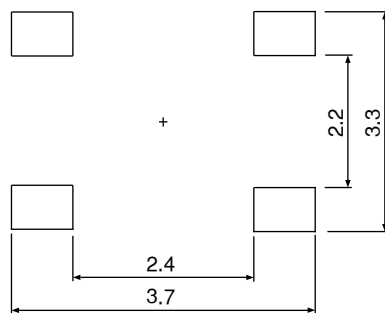

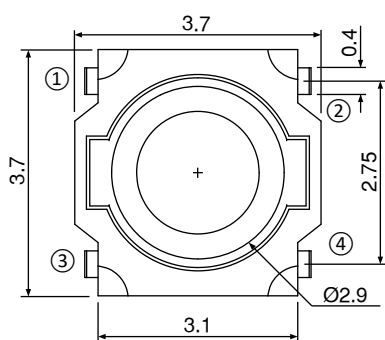

► Specification

Operating Temperature	-20°C to +70°C
Operating Force	160, 250 gf
Travel	0.15mm
Total Height	0.35mm
Power Rating	15 VDC at 20mA
Contact Resistance	1Ω
Insulation Resistance	100MΩ
Dielectrical Strength	100VAC for 1 minute
Life Cycle	100,000

► Part Number

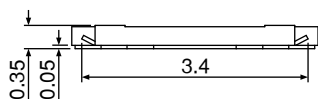

T44BJ
