

## ► Product Features

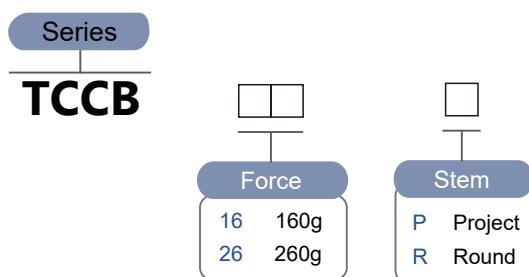

- Large operational stem
- 10 million long-life
- Dust-proof
- RoHS Compliant

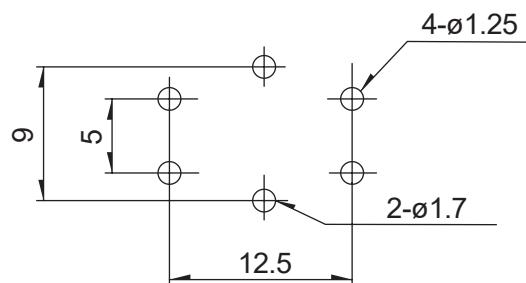

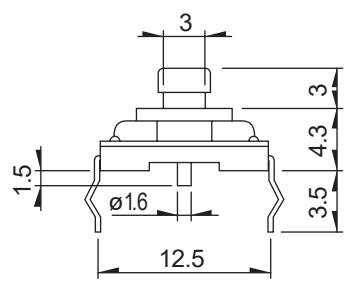

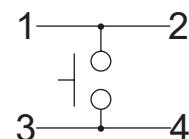

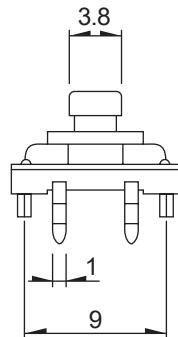

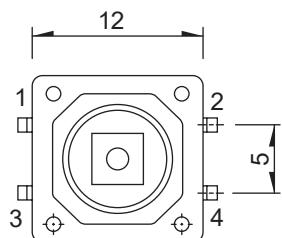

## ► Specification

Operating Force	160g, 160g
Actuation Travel	0.30mm
Operating Temperature Range	-40°C~85°C
Power Rating	50mA, 12VDC
Actuation Life Cycle	10,000,000 cycles
Insulation Resistance	100MΩ min @ 100VDC
Dielectrical Strength	250VAC for 1 minute
Contact Resistance	100mΩ max.

## ► Part Number

**TCCB\_P**

**TCCB\_R**
